## Experience

### Web Developer

**2017 – Onward**

#### Freelance

I have been working as a freelancer since 2016, providing reliable and high-quality web development services. My core expertise is **Shopify full-stack development**, including theme customization, custom features, and performance optimization. I also specialize in **PHP**, **Laravel**, and **WordPress**, **Magento 2**, building secure and scalable web solutions. On the front end, I work with **JavaScript**, **React.js**, **Tailwind CSS**, **SCSS**, and **CSS** to create modern, responsive user interfaces. I focus on clean code, clear communication, and timely delivery, always aiming to help clients grow their businesses with efficient and scalable digital solutions.
